

§ 603.3

20 CFR Ch. V (4–1–08 Edition)

(j) *UC information* and *State UC information* means information in the records of a State or State UC agency that pertains to the administration of the State UC law. This term includes those State wage reports collected under the IEVS (Section 1137 of the Social Security Act (SSA)) that are obtained by the State UC agency for determining UC monetary eligibility or are downloaded to the State UC agency's files as a result of a crossmatch but does not otherwise include those wage reports. It does not include information in a State's Directory of New Hires, but does include any such information that has been disclosed to the State UC agency for use in the UC program. It also does not include the personnel or fiscal information of a State UC agency.

(k) *Wage information* means information in the records of a State UC agency (and, for purposes of § 603.23 (IEVS)), information reported under provisions of State law which fulfill the requirements of Section 1137, SSA) about the—

- (1) Wages paid to an individual,
- (2) Social security account number (or numbers, if more than one) of such individual, and
- (3) Name, address, State, and the Federal employer identification number of the employer who paid such wages to such individual.

Subpart B—Confidentiality and Disclosure Requirements

§ 603.3 What is the purpose and scope of this subpart?

This subpart implements the basic confidentiality requirement derived from Section 303(a)(1), SSA, and the disclosure requirements of Sections 303(a)(7), (c)(1), (d), (e), (h), and (i), SSA, and Section 3304(a)(16), Federal Unemployment Tax Act (FUTA). This subpart also establishes uniform minimum requirements for the payment of costs, safeguards, and data-sharing agreements when UC information is disclosed, and for conformity and substantial compliance with this proposed rule. This subpart applies to States and State UC agencies, as defined in § 603.2(f) and (g), respectively.

§ 603.4 What is the confidentiality requirement of Federal UC law?

(a) *Statute.* Section 303(a)(1) of the SSA (42 U.S.C. 503(a)(1)) provides that, for the purposes of certification of payment of granted funds to a State under Section 302(a) (42 U.S.C. 502(a)), State law must include provision for such methods of administration as are found by the Secretary of Labor to be reasonably calculated to insure full payment of unemployment compensation when due.

(b) *Interpretation.* The Department of Labor interprets Section 303(a)(1), SSA, to mean that “methods of administration” that are reasonably calculated to insure the full payment of UC when due must include provision for maintaining the confidentiality of any UC information which reveals the name or any identifying particular about any individual or any past or present employer or employing unit, or which could foreseeably be combined with other publicly available information to reveal any such particulars, and must include provision for barring the disclosure of any such information, except as provided in this part.

(c) *Application.* Each State law must contain provisions that are interpreted and applied consistently with the interpretation in paragraph (b) of this section and with this subpart, and must provide penalties for any disclosure of confidential UC information that is inconsistent with any provision of this subpart.

§ 603.5 What are the exceptions to the confidentiality requirement?

The following are exceptions to the confidentiality requirement. Disclosure of confidential UC information is permissible under the exceptions in paragraphs (a) through (g) of this section only if authorized by State law and if such disclosure does not interfere with the efficient administration of the State UC law. Disclosure of confidential UC information is permissible under the exceptions in paragraphs (h) and (i) of this section without such restrictions.

(a) *Public domain information.* The confidentiality requirement of § 603.4 does not apply to public domain information, as defined at § 603.2(c).
